Additional Data/Screenshots	 <p>The screenshot shows the footer of the Hub88 website. At the top, it says "Start your casino business journey with Hub88" with a form to "ENTER YOUR EMAIL ADDRESS" and a "LET'S TALK" button. Below this, there are three main sections: "Company", "API", and "Responsible Gaming". Under "Company", there is a list of links: Home, News, Suppliers, Solutions, Market Place, About Us, and Privacy Policy. Under "API", there is a list of links: Documentation (highlighted with a blue box), Operator, and Provider. Under "Responsible Gaming", there are logos for 18+, AA, and a Responsible Gaming logo. To the right of these logos is the MGA (Malta Gaming Authority) logo and text stating that the website is operated by HUB88 Limited, a company registered in Malta under company registration number C86384, with a registered address in Tigné, Malta. It also mentions that HUB88 Limited is licensed and regulated by the Malta Gaming Authority with license number MGA/B2B/056/2020. At the bottom right, it says "Copyright © 2021 All Rights Reserved".</p>

Issue ID	Issue_03

Severity	Critical
Priority	High
Environment	OS: Windows 10 pro Browser: Google Chrome (Version 107.0.5304.63)
Date Executed	26/10/2022
Additional Data/Screenshots	 <p>The screenshot shows a web browser window with a white background. In the center, there is a red error message that says "An unexpected error has occurred." Below this message, there is a detailed JavaScript error log from the browser's console. The log shows a "TypeError: Cannot read properties of undefined (reading 'product')". The stack trace includes several frames from the "framework-efad68e59-f9288184.js" file, with line numbers ranging from 159271 to 159282. The error is triggered by a function call to "t.unstable_runWithPriority".</p>
